Special Notes

This week the school had a tornado and fire drill.
We practiced and were ready for both even though the kids didn't know. They did a great job and were ready when I needed them to be. We did discuss how this was a practice and we needed to know what to do and be prepared. You may want to talk with your child about these as well.

I sent home your children's extra clothes. Please send another set back to school just in case we need them here. You never know!

Last day to check out library books in May is the week of May 4th-8th. All library books or fines are due by May 15th.
