Our Week

This week in language arts we continued to talk about our country and the flag. The students completed an assessment over it and they did great!

Next week, we will finish up the year with fun reading and writing projects. The students will be completing a memory keepsake that we hope you all enjoy!

In math the students continued to work on solving addition and subtraction word problems. We will also continue this next week and finish the year with it.

Special notes

On the last day of school Kindergarten WILL NOT go to the park with the elementary students. Kindergarten will stay here at the school. The teachers have planned some activities here to do with the students. With the growing number of students at Dakota Valley Elementary we have found it is much more enjoyable for the students to stay here and play rather than be with all the big kids. Your child will need to wear their class t-shirt, tennis shoes, and bring a sack lunch.

If you have received a lunch statement from Lunch Time Solutions, please be sure your child's lunch account is paid if full before the end of the year. I will not be able to send home their report card if you have a negative balance. You will be required to come to the school and pay the lunch account before you receive the report card.

One more thing...

I have really enjoyed working with your children this year. They have all learned and grown so much! Thank you for allowing me to work with them. Have a great summer with your children!
